

**ARIZONA CODE OF JUDICIAL ADMINISTRATION**  
**Proposal Cover Sheet**  
**Part 6: Probation**  
**Chapter 3: Juvenile Services**  
**Section 6-301.01: Juvenile Standard Probation Evidence-Based Practices**

**1. Effect of the proposal:**

Revisions are to clarify case plan requirements and modifications of supervision levels that further supports evidence-based practices. Also, updates include technical changes based on Arizona Revised Statute.

**2. Significant new or changed provisions:**

Removed reference to .01 version since the Courts will be governed by this updated code under the old ACJA section number. The .01 version will be deleted.

**A. Definitions**

- New definitions – AZYAS, AZYAS certified staff, AZYAS disposition tool, courtesy probation supervision, guardian, juvenile case plan, out-of-state placement, and parental contact.
- Modified definitions – Collateral, out-of-home care, short-term standard probation, standard probation, and visual contacts.
- Removed/deleted definitions – Case plan, default, delinquency risk, petition, referral, target interventions, and youth assessment.

**C. Purpose**

(1) – Revised.

**G. Standard Probation Caseload** (proposed subsection) – Moved content in current subsection I (active and inactive caseloads) to newly proposed subsection G; revised content.

**H. Program Operations** (proposed subsection) – Significant reorganization (same content)

(1)(a-o) – Revised case plan development deadline from 30 days to 45 days from disposition; clarifying the specific AZYAS tool to be used; modify supervision level based on juvenile’s case plan and behavior goals; encourage juvenile’s engagement with prosocial activities; supervisor approval of supervision level modifications; require supervisor quality assurance checks; moved content in current subsection (H)(4) to subsection (H)(1)(o).

(2)(a-n) – case plan requirements; engagement of juvenile’s parents; modification of supervision level or termination of probation based on case plan progress.

**I. Minimum Supervision Requirements** (proposed subsection)

(2) – Modify supervision level based on juvenile’s progress with conditions of probation and case plan.

(2)(d-e) – Created new supervision levels of detention, out-of-home care, out-of-state placement, or juveniles in adult jail prior to conviction.

**3. Committee actions and comments:**

**4. Controversial issues:**

**5. Recommendation:** Recommend approval.
